DELIVERING BUSINESS SOLUTIONS

Company Environmental Policy

The environmental policy covers activities on the sites at Skelmersdale, Knowsley, Burton and Worksop, along with Kammac plc activities on 'client' sites around the UK & Ireland. This policy will be reviewed on an annual basis as part of Kammac plc's ongoing commitment to the environment.

Commitment

Kammac plc is committed to protecting the environment. We will endeavour to continually improve our environmental performance and carry out all actions in line with requirements.

Aims

- We will ensure that we adhere to all relevant environmental legislation.
- We will install systems that enhance our practices promoting care for the environment.
- We will review this policy and communicate it internally and externally at appropriate intervals.
- We will aim for zero environmental accidents at each of our operating locations.

Objectives

- Comply with all developing national and international environment regulations ensuring compliance.
- Manage activities in such a way as to reduce environmental impact to a practicable minimum.
- Commit ourselves to a continual improvement programme where economically feasible.
- Try and minimise the use of non-renewable raw materials where possible.
- Consider the environmental performance of suppliers and contractors.
- Encourage all process owners within the business to thrive towards zero land fill.
- Invest in recycling mechanisms in order to achieve the point above.
- Identify and implement office waste recycling.
- Ensure that all fleet vehicles are fuel efficient and of the lowest carbon emissions possible.
- Ensure that this policy is understood, implemented and maintained at all levels within the company.
